CAREER OBJECTIVE

A disciplined and motivated B.Sc. (Computer Science) student currently completing an internship. I am looking to begin my career in a professional environment where I can contribute my technical foundation and strong communication skills. My goal is to be a reliable team player who handles responsibilities with honesty and a mindset focused on continuous learning.

EDUCATION

B.Sc. (Computer Science)	GATE Degree & PG College	6th sem(60%)
Intermediate	AGS Junior College	2023 (50%)
SSC (Class 10th)	ZPHS Schoo2020	2020(70%)

TECHNICAL SKILLS

Computer Fundamentals: Proficient in MS Office (Word, Excel) and internet-based research.

Digital Literacy: Strong understanding of operating systems and basic hardware troubleshooting.

Quick Learner: Highly capable of mastering new software tools and workplace technologies in a short time.

SOFT SKILLS

Effective Communication: Fluent in Telugu and English with the ability to convey ideas clearly to team members and clients.

Time Management: Proven ability to balance academic requirements with internship duties and deadlines.

Problem-Solving: A practical thinker who focuses on finding solutions rather than dwelling on issues.

INTERNSHIP & EXPERIENCE

Undergraduate Intern | Current

Actively participating in daily operations to understand corporate workflow and professional ethics.

Assisting in basic technical tasks and documentation under the guidance of senior staff.

Demonstrating a strong work ethic and punctuality in all assigned responsibilities.

HOBBIES & INTERESTS

Cricket: Actively play as a team member; developed leadership and collaborative skills through the sport.

Community Engagement: Interested in local events and staying updated on regional developments.
